Minden Rink Wins Skyline Bonspiel

A rink skipped by Roy Windover of Minden and comprising OPP constable Jack Eastwood, Earl Palmer and Bernard Trepanier carried off top honors in the annual Skyline bonspiel staged at the Haliburton curling club.

The three day 'spiel finished on Sunday night when the winners were declared. Members of the winning rink were presented with transistor radios as well as the trophy.

Thirty-two entries from approximately 20 different clubs took part in a jam packed week end with draws on Friday night, Saturday and Sunday.

The great success of this event once again was due to the hardworking committees, our ice maker and the general hospitality shown to our visitors by club members and by the residents of Haliburton and vicinity.

It was gratifying to note that three of the Haliburton rinks entered in the 'spiel were in the prize money. These rinks hung right on until the last.

Our congratulations to Roy Windover and his rink on winning first prize. And congratulations are also in order to the bonspiel chairman and his committee who once again staged one of the highlights of the winter season.

The prize winners were as follows:

First Event—
Adams-Labatt Trophy—
1 R. Windover, Minden
2 F. Young, Oshawa.
3 H. Black, Haliburton.
4 M. Algar, Lindsay.

Second Event—
L. Moore "Esso" Trophy—
1 J. Perry, Oshawa.
2 L. Coneybeare, Haliburton.
3 M. Robertson, Haliburton.
4 R. McDonald, Mt. Hope.

Third Event—
Kennisis Lake Trophy—
1 P. Michael, Oshawa.
2 N. Duncan, Brampton.
3 A. Hornsby, Bicroft.
4 E. Sharpe, Oshawa.

Fire Fighting Pact Urged In 4 Deaths

A coroner's jury investigating the December 24 death of four persons trapped in a burning house yesterday recommended adjoining townships in the area meet to work out a fire protection agreement.

Mr. and Mrs. John Hartley, 26 and 24 respectively, of Etobicoke, and Mrs. Florence Stanton, 31, and her daughter Judy Lee, 4, died when the Stanton house in Lutterworth township burned.

The jury ruled the four died of asphyxiation and said the fire cause is unknown, but probably was started by an overheated stove in the basement of the two-story dwelling.

The jury was told the Minden fire department did not immediately answer the call because they do not have an agreement with the Lutterworth township brigade.

The twin daughters of Mr. and Mrs. Hartley, Janice and Janet, 3, were thrown from the second floor by Mr. Hartley and carried to safety by Mr. Stanton. Janice is still in hospital in Toronto recovering from third degree burns.

The twins will go to England to live with their grandparents when Janice's condition will allow travel.

Mrs. Stanton and Mrs. Hartley were sisters.

C. C. C. Curling News

The new curling annex to the Wilberforce community centre arena, now offers curling at its best. Congratulations are in order to all concerned and especially to Keith Cameron, our vice president and secretary treasurer.

With the co-operation of our suppliers of work and materials and an appreciable amount of voluntary labor, plus the enthusiasm with which curling was accepted in the community, our $1200 asset is all but paid for.

The fund raising committee, headed by Jack Wallace as chairman and comprising Chick Bidgood, Keith Tallman, Keith Cameron and Bill Burt, has already something stewing, which should not only wipe out the very small deficit but provide a start on our den for plate glass skips.

The response to a suggested Saturday afternoon schedule for the girls could be heard throughout the arena during their first appearance on January 20. Wow! They're even more vociferous than the men and, of course, much more practiced with the brooms. We could easily have at least a four rink week end schedule for them. All we need is a few more lady members.

The inauguration competition for the Wilberforce Veneer and Lumber trophy, which was originally scheduled for eight rinks, had to be re-drawn so as to include new members. Now 10 complete rinks have been formed to compete in this event and enthusiasm runs high.

Skips take note, if you want to see a face light up ask Ross to sub for any of your boys who can't make it.

"Okay, okay, Gary," said Jim, after his second stone had been bopped off the button, "if you want to play a knockout game, we'll give 'er to you."

MAGISTRATE'S COURT

Three youths who appeared before Magistrate Moore in Minden on January 18 paid a total of $381 in fines and court costs for removing and damaging warning lanterns placed at new construction being carried out on the north road at Minden. Roger Nesbitt and John Toye of Carnarvon and Allan Richardson of Minden pleaded guilty of destroying one lantern and removing three others to places in the village. One lantern was placed on the steps of the OPP office. Roger Nesbitt, who was driving the car, paid $150 plus $9 costs. John Toye was fined $100 plus $9 and Allan Richardson $100 plus $18.

William Burns of Minden was fined $13 for allowing James Piper to drive his car when Piper's license was under suspension.

A charge of careless driving against Basil Boice Jr. of Haliburton was dismissed as the accused had been helping a friend when the accident occured. While pushing a second car at Haliburton, owned by Ted Riel, Boice had lost control of his car doing $50 damage to the Riel car and $350 damage to his own when he went over the railroad embankment.

Thos. Emmerson of Dorald pleaded guilty to driving while his license was under suspension and was fined $200 plus $18 costs. Emmerson was charged after he was involved in a minor accident in Haliburton.

Miss M. Bamford New Warden

History was made at the county council session in Minden on Tuesday, January 16 when Miss Myrtle Bamford was elected warden of the Provisional County of Haliburton.

This marks the first time that a lady has ever attained this position, and serves as an indication of the ever increasing part that women are playing in the political life of our country.

The new warden represents the Improvement District of Bicroft on county council.

We extend sincere congratulations to warden Bamford and wish her every success during her term of office.

RED SHIELD CAMPAIGN DATES SET

The annual Red Shield campaign, conducted by the Salvation Army, will commence on Tuesday, May 1 and continue until Thursday, May 31.

Police Investigate Cottage Break-Ins

Provincial police at Minden are investigating breakins at several cottages at Stormy Lake, six miles north of Gooderham.

Const. Elwood Foster said today that about seven cottages were found to have been entered.

He said estimates of missing articles is yet unavailable as many of the cottage owners involved have still to visit their cottages to give police a list of articles stolen. The break-ins were discovered last week.

3 Local Men ATRO Directors

Mervyn Robertson, owner manager of Wig-a-Mog Inn at Haliburton was elected as treasurer of the Association Tourist Resorts of Ontario (ATRO) at a meeting of the association held recently in Toronto.

Others from this area who were elected directors were Ray Arntfield, Holiday Inn, and Bruce Henry of Halimar.

We congratulate these men in taking such an interest in this association.

FALSE RUMORS

Rumors have been circulated in this area to the effect that Lindsay Wholesale Meats have been closed owing to having been charged with handling tainted meat. An advertisement carried elsewhere in this paper informs the public that there is absolutely no foundation to these stories.

The meat handled by this firm is and always has come under government inspection not only this, but being a wholesale place of business the premises are, from time to time, inspected as to cleanliness and conditions in this respect have always been A-1.

Such falsehoods circulated can do a business irrepairable harm but those who care to investigate will find that they can be sure all meats handled by Lindsay Wholesale Meats are of highest quality and government inspected.

Icy Roads Cause Auto-Truck Crash

Damage is estimated at $85 following a car-tractor-trailer crash near Miner's Bay on Highway 35 Thursday.

Drivers involved were Mervyn Hazelton of Orillia and Alan Capon of Minden.

Minden OPP said icy roads contributed to the accident. Const. Jack Eastwood investigated.

MINDEN RED CROSS

ANNUAL MEETING

The annual meeting of the Minden branch of the Canadian Red Cross was very largely attended in St. Paul's parish hall last Friday with Mr. R. Herlihey presiding. He welcomed all who came out to hear the reports and our speaker.

Invocation and prayer were given by Rev. Schmitt followed by the minutes and treasurer's report.

Mrs. McKay gave the hospital report and showed a very busy year.

Mr. Stouffer gave the hospital property report of painting the wards, more insulation, a new vented exhaust fan, a cupboard for sewing supplies and some other repairs. He also paid tribute to Mrs. McKay and her staff for the splendid care of the patients in the past year.

Mrs. L. Coburn gave a report of visiting at the hospital and gifts were bought at the holiday, also that W.I. members visit monthly as well as people from the five churches.

Mrs. Stouffer gave her report of the sewing committee that a good deal of work had been done but more sewers were needed. They sew on the second and fourth Wednesdays at the board room.

Mrs. Brintnell stated that some 63 articles had been done during the year and wished her successor a very successful year.

Mrs. Graham had sent her report of the loan cupboard.

Mr. Earl Hewitt gave a report that some six families had been helped during the year with bedding and other articles.

Mrs. Kirkwood gave her report that publicity is done through the local correspondent and also a word of thanks to the ladies of the W.I. for knitting 13 pairs of mitts with yarn purchased through a donation.

Swimming awards were made to John Fleming, Eric Coulter, Cathy Fleming, Di-

HALIBURTON NEWS LETTER . . .

For the past three weeks most of us have been engaged in trying to shovel ourselves out, as it would seem when it was not blowing it was snowing. However the weather is far from being extremely cold, and we have twice as much snow as we had at this time a year ago.

* * *

We learn that Mrs. Stella Walker, who recently underwent surgery in the Ross Memorial Hospital, Lindsay, is making a satisfactory recovery.

* * *

We regret to report that Mr. Chester Kellett is at present a patient in the Red Cross hospital here, due to having suffered a heart attack on Saturday evening last. We are informed that his condition shows signs of improvement.

* * *

Building, which was at a very low ebb here last year shows signs of making a strong comeback. The new addition to the Haliburton County District High School will amount to $300,000 alone. Cottage construction in the area will be much greater than a year ago and we understand that there is likelihood of a new modern apartment building getting underway shortly, also a coin laundry.

* * *

Mrs. Jane Burke is at present a patient in Wellesley hospital, Toronto, where she is undergoing treatment. Despite her advanced years this grand old lady has continued to enjoy pretty fair health and her many friends hope that her condition will improve and her health will return to normal.

* * *

The strike at the local Shorgas plant is, at time of writing, still on. No sign of settlement appears to be in sight as yet.

Wilberforce United Church Inaugural Service

The inaugural service for the United Church Women was held Sunday, January 20 at Wilberforce United Church for the Tory Hill charge which includes Gooderham, Tory Hill, Wilberforce and Highland Grove.

The service was led by Mrs. A'Delbert Miller of Wilberforce. Scripture reading by Mrs. T. Deterling of Tory Hill. Mrs. R. Barr of Gooderham gave a splendid address on "Vission of the Future."

Two duets were rendered by Mrs. F. Davenport and Mrs. D. Finlay.

Dedication of the executive was given by the minister, Mr. J. VanDerVeen.

The members of the executive received an inspiring message in service of leadership from the impressive ceremony and they promised with God's help to do His work in this organization of His church.

Service was closed with the singing of "The Church's One Foundation." The minister closed the meeting with prayer.

NEWS NOTES FROM MAPLE LAKE

St. Peter's W.A. met at the home of Mrs. Florence Redman January 10.

Mr. and Mrs. Howard Morrison of West Guilford were guests of Charlie and Grace Morrison on Sunday, January 10.

An error in last week's news should have read Mrs. Max Griffin instead of Mrs. Max Sisson.

The ladies community guild held their January meeting at the home of Mrs. Mary Redner. Next meeting is February 15 at the home of Mrs. Carrie Morrison, Maple Lake. We welcome any ladies as visitors.

Miss Lottie Hawkins, who is staying with Mrs. Don McPhail, while Don is employed away from home during the week, spent the week end with Mr. and Mrs. Herb Fountain.

The temperature hit the low 24 below zero at Bithynia farm this week. We also have a good depth of snow. Anyone who have cottages would do well to have them shoveled.

The annual congregational supper followed by the vestry meeting for St. Peter's church will be held Friday night, January 26 at 6 p.m. All are welcome.

Mr. Wm. Ferguson returned home Saturday after spending a holiday with Mrs. John McKee.

St. Peter's church altar was decorated with roses on Sunday last, a gift from Mrs. Allen Sisson.

Employment

EVERY MAN in Haliburton who wants to work is working. We can thank the winter works program for this. A little over a week ago we were informed that over 60 men in this locality were unemployed.

The Dysart municipal council started their works program and the men were busy brushing, shoveling sidewalks and many other duties. Those who were left on the unemployed list were taken up when jobs became available at Hay & Co. and work started on the Buckhorn road.

We get sick of listening to people in this area crying the blues day in and day out. Their cries are to the effect that there is no work and the lumbering is finished here. Yes, you have probably heard that old story before. But let's review the picture.

Here it is January, the toughest month of the year to get a job. Every available man is working.

Then secondly—the lumbering trade is finished? To prove that this statement is untrue one only needs to look at the Lorne Bailey Lumber Co. in Haliburton and Hay & Co. at West Guilford. Hay & Co. are in high gear and hiring men every day. Lorne Bailey tells us that although his lumber yard is becoming filled with logs, he still needs more. The demand for his lumber has been very gratifying and he has kept all of his employees on this winter.

There's a bright side to everything, especially when everyone is employed. ●

The Curling Fever

THE CURLING BUG has taken a big bite into the britches of citizen of Haliburton, Minden and Wilberforce and the fever that has resulted is reaching epidemic proportions. The sport is currently the talk of the towns and villages in this area.

The words "stone," "end" and "sweep" have become part of almost everyone's vocabulary and still the interest continues to grow. Husband, wives and students are rapidly becoming addicted to the game. The almost continuous action on very cold nights makes a curler return again and again.

What is back of this sudden surge of the game of curling. In most parts of our county we think that the extra accomodation for more curlers is one of the main reasons. In Haliburton the curling club have added one more sheet of ice to the present three. In Minden the club there is very active in their new rink in the fair grounds. The Minden club with their new ice palace have 11 rinks from the men's division and the ladies club is growing every day.

The game has even spread out east and curlers from Gooderham and Tory Hill are rushing to curl at Wilberforce where they have added one sheet of ice to the present skating arena.

And in Haliburton where they started to curl first enthusiasm is at a new high and with the success of the ever popular Skyline bonspiel, curling is taking over as our number one sport.

If you think curling isn't exciting, just try tossing a 40 pound rock down the ice or sweeping at a mile a minute pace in the heat of a close contest and you'll see what we mean.

In conclusion one of the main features on curling's side is the fact that young and old can compete in the game. ●

Letters To Editor

Dear Sir:

Since the school for retarded children of Haliburton county has become a reality, it causes deep, heartfelt thanks from the association for the public interest and support in this venture of faith.

Some eight months ago, when the local association was formed, only dreams of some day being able to operate a school of this nature could arise.

There were no funds. Would the public see the need as seen by those who endeavored to lay plans? Would opposition be strong enough to snuff out the enthusiasm to do something for these "special" children of God? These, and many other questions arose as plans proceeded.

Now we have at least a partial answer to them. The early opening of a school is the result.

Many, many thanks to you all.

Rev. A. Brubacher,
president.

News Notes From Carnarvon

Mr. and Mrs. Wilf Hewitt of Toronto were week end guests of Mr. and Mrs. Alex Hewitt.

Mrs. Frank Chambers and son Bobby and Miss Susan Allcorn spent the week end in Toronto.

Mr. and Mrs. Vernon Rivers of Toronto spent the week end at their cottage.

The executive of the United Church Women motored to Lindsay on Wednesday to Queen St. United Church for the inauguration of officers for the new organization. On Wednesday evening in the Carnarvon church the Rev. D. Staples officiated at the inauguration of the two local units and the general executive.

Mrs. Irene Minaker was a visitor in Toronto over the week end.

The Carnarvon ski tow is now in operation and quite a number of people are taking advantage of this and the ski slopes are reported to be in good condition.

Mr. and Mrs. Laverne Thomas and sons of Peterboro were week end guests of Frank Thomas and Mr. and Mrs. Francis Thomas.

Mr. and Mrs. Tom Bennett were visitors in Toronto last week.

Mr. and Mrs. Ron Harrison and Mrs. Jim Chambers spent Monday in Peterboro.

The first meeting of the U.C.W. evening group was held Monday night at the home of Mrs. Alan Bursey under the leadership of Mrs. A. Medley. We would like all ladies of the community wishing to be a member to get in touch with Mrs. Medley or Mrs. Ron Fennell.

Get well wishes to Danny Chambers who is confined to bed with chicken pox.

The famous Haliburton curling club's Skyline bonspiel has come and gone for another year. Each time they hold this 'spiel it becomes more popular. We understand that the entries came in so fast this year that the bonspiel schedule was filled up well in advance of the big event. In fact this year's bonspiel drew so well that no advertising was needed. The hospitality of the Haliburton club is beginning to pay off and the outside curlers look forward to coming back to the highlands to join the fun and curl. It was also good to see so many old familiar faces on ice such as Carl Hussey, Dr. Bates, Cliff Brealey and others.

* * *

Turning to hockey now we notice that the Minden Monarchs are still mowing down the opposition by basketball scores. After only losing one game this season the Minden crew hung that big 23-1 score on Beaverton. We haven't received the scoring figures yet but without a doubt the Monarchs are leading in the scoring parade.

* * *

In the skating world the Wilberforce skating club had a membership of 54 last Saturday and the Haliburton club are in the 50's too. Maybe we will have a contest to see which club will boast the larger membership at the end of the season.

* * *

Last week we were presented with one of the Oakville Oaks hockey programs. In leafing through the pages we came across Herb Baker's picture and a write up on this star of the Oakville squad. The program points out that he has been on the Oakville team longer than any other player with the Oaks today. Herb. who has been playing in Oakville since 1954 finished the regular season last year with 17 goals and 15 assists.

* * *

Still with hockey the Haliburton Huskies are still rolling along and are very proud of the way the fans are turning out for each home game. Coach Ab Larue is very confident that his club will still end up in first place this season. But the Minden Monarchs will likely have something to say about this.

* * *

Here and There . . .

Now that the Skyline bonspiel is over the Haliburton curling club can settle down to the mixed 'spiel coming up . . . Over 50 students from the Haliburton County District High School are curling at the Haliburton club . . . We see that Gary Vasey who is playing hockey for Bradford is now third in the scoring race in his intermediate A league . . . There is still three more days left in Minor Hockey Week so take your boy to the arena tonight . . . It's very encouraging to see so many boys playing in the Haliburton county minor hockey league . . . Skating in Minden and Haliburton is proving to be very successful this year.

* * *

Still with curling the local hotels that are open for winter business were all booked last week end with visiting curlers for the Skyline bonspiel. The curlers book well in advance.

ONLY SECOND LOSS—

George Nicholls Scores Five But Huskies Lose At Keswick

The Haliburton Huskies dropped their second game of the season in Keswick on Tuesday night. Running into tough opposition the local hockey team ran up against a great team in the Keswick Comets and came off the ice after three periods of hockey on the losing end of a 9-6 score.

A good crowd was on hand to see the Huskies outshoot Keswick 49 to 42 but they just couldn't score enough goals to win.

In an effort to pull the team together coach Ab Larue had to shake up his lines in an effort to get a winning combination. At one stage of the game he took his star George Nicholls and put him on right wing moving young Jim Scheffee in at centre ice. But nothing seemed to work as the Huskies management came away wondering what has happened to the team.

The team seems to have lost its drive and hustle and the coach informs us that he will be shaking up his lines again until he gets a scoring combination.

The big gun for the locals was once again George Nicholls who scored five of the Huskies six goals, and was going strong both ways.

The scoring spree by Nicholls left him still on top of the Huskies scoring parade with the most goals and assists.

The other Huskies goal was scored by Lyle Stamp.

MONMOUTH COMMUNITY CENTRE NEWS

The curling club is still expanding with 10 rinks now in action. Several ladies have joined in the fun and high school students are also showing interest. Some of the scores for the week are:

January 15—
Roberts 10, Anderson 3.
Schofield 8, Sisson 3.

January 16—
Roberts 7, Agnew 7.

January 17—
Klapow 10, Anderson 2.

January 18—
ameron 8, Schofield 3.
R. Anderson 8, Lindsay 3.

January 19—
Burt 10, J. Anderson 3.
Sisson 8, Agnew 6.

We are pleased to welcome Mrs. Kennedy of Elephant Lake lodge to the figure skating club. The assistance she is able to offer will be a valuable asset to our thriving club.

Congratulations to Carol Jean Herlihey, a former member of the Monmouth figure skating club, who has been picked to take part in the coming ice review at Queens' University. We hear that Carol is also teaching swimming. She is a girl of many talents and one to be proud of.

Town league hockey now includes Cardiff and there should be some good games coming up. In the minor hockey, the midgets have lost two games to Haliburton and won one from West Guilford.

Mr. Frank Davenport is a new member of the rink board. Few people are aware of the time freely given by these good citizens who manage the affairs of the community centre.

Merv Bain Scores Hat Trick As Huskies Win

After being beaten by Keswick last week the Haliburton Huskies were out to avenge that defeat on Saturday night at the local ice arena. And win the game they did as they skated to a 10-4 jackpot.

One of the largest crowds of the season at Haliburton sat in to see the Huskies overpower a good team—the Keswick Comets. The Huskies had to give it everything they had to pull this one out of the bag as the Keswick club are rated as one of the top teams in the league.

The Huskies took a commanding lead in the first period and were never headed from here on in.

The goals were well distributed and nearly every player on the team picked up a point in this game.

Merv. Bain with three and Stuart Baker and Geo. Nicholls with two led the scoring parade for the winners with two goals each.

Single counters went to Curry Whittaker, Jim Scheffee and David Sawyer.

Curling Comes To Haliburton County East

Several years ago a group from the communities of Gooderham, Tory Hill, Harcourt, Highland Grove and Wilberforce, experimented with the heaving of over a third of a ton of oval rocks 140 feet down the skating surface of the community centre arena.

"If this is curling, it's for the birts!" exclaimed many after one husky, with a mighty heave-ho, failed in his effort to explode his 44 pounder with enough velocity to reach the bull's eye.

Naturally the enthusiasm among these neophytes (95% of whom had never, and we mean never, had more than a nodding acquaintanceship with the old Scottosh word "bonspiel") ran high. High, that is, for hockey, watching television, playing cards or anybut but playing catapult.

In an endeavor to correct this bad impression, the co-operation of the Haliburton curling club was solicited and they responded admirably by allowing the C.C.C. (Community Curling Club) the use of their ice exclusively for an entire evening.

Wouldn't you know it! It happened to be one of those mild nights when heave-ho was the order of the day, even on those well kept sheets. Not quite so heave-ho, however, and a few saw some future for the game; among whom was our present "veep."

A little over a year ago the present "veep" went to the present "pres." and suggested that curling should now come to Haliburton county east.

"Yes," said he, "it should —but will it?"

The present "veep" worked like a beaver confidently— the present "pres." went along with it hopefully.

Busy Weekend Coming Up

Hockey is back in the limelight this week end with Minden and Haliburton both having two games scheduled. On Friday night the Haliburton Huskies travel to Little Britain to take on that team who were the only ones to beat Minden this season.

And this coming Saturday night the Huskies are at home to meet the Woodbridge Dodgers in a benefit game for injured Huskies player Dave Nicholls.

Also on tap Friday night the Minden Monarchs will be playing in Sutton and on Saturday night they are at home to Little Britain. The Monarchs will be out for revenge in this one.

So all in all it's a big week end coming up for Mr. and Mrs. Hockey Fan.

CURLING CLUB TOPICS

The Haliburton curling club are staging their second annual mixed bonspiel at the Haliburton curling club on Saturday, February 10. After last year's successful event the local club are looking forward to another good 'spiel. Sixteen rinks are being accepted by the secretary, Mrs. Bernice Scott. The draws will be at 9 a.m. and 11 a.m. There will be five sets of prizes and a free buffet supper.

On February 3 week end the Minden curling club are staging their annual mixed bonspiel. The club are hoping for a good turn out. Rinks will be represented from various points.

* * *

The Haliburton Rotary club were represented at some Rotary bonspiels last week. Although no one came home with any prizes, they all reported a good time.

* * *

The Haliburton branch of the Royal Canadian Legion sent three rinks to the annual Legion bonspiel which was held in Cannington this year. Beaverton won it last year but played it off at Cannington. The three rinks represented from Haliburton were: Don Johnston, skip; Don Iles, vice; Moss McCracken, second; Dr. H. E. Good, lead.

Russell Neville, skip; Raymond Scott, vice; Vance English, second; Bernard Davidson, lead.

Harry Cowen, skip; Alton Duncan, vice; Doug Pritchard, second; Alex Godin, lead.

Don Johnston and his rink won two and lost one. Harry Cowan and his rink won one and lost two while Russell Neville's quartette won two and lost one.

The Cannington club won the 'spiel so its back to Cannington for the big event next winter.

The women of the Haliburton ladies' curling club plus the women from the mixed group were busy last week end preparing food for the curlers who took part in the Skyline bonspiel.

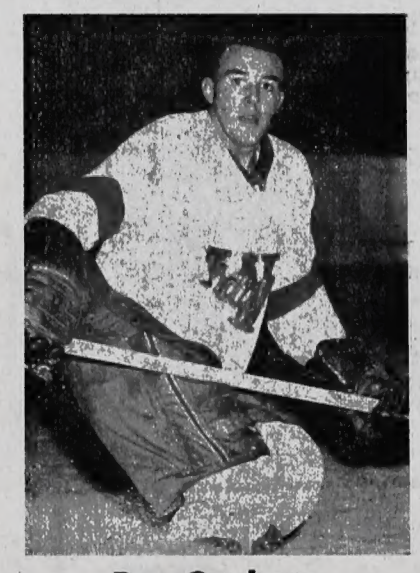
SIX PLAYERS MAKE ALL STAR TEAM

Woodbridge Dodgers To Play Here Sat. Night

Bob Wilson

Scottie Larue

Ed Burford



Don Graham

Bob Hall

Dave Kelly

In eight years that Woodbridge have had a junior B club, they have always made the playoffs. This year could be the year they go all the way.

Last year was the rebuilding year as the Dodgers had to pick up 17 players and were fortunate in getting Scott LaRue who has been playing well according to coach Ken Avarell. This is LaRue's second year with the Dodgers and he made the junior B all-star game which is held every year in Toronto with all proceeds going to the crippled children.

The Dodgers have six players on the all-star team this year.

Don Graham, captain of the Dodgers and playing centre, is in his last wear as a junior. He has played junior for six years.

Peter Buchanan holds down a right wing spot on the all star team. This is Buchanan's first year as a junior and he is leading the league in goals.

Jim Johnston will be playing left wing in the all star game. Johnston, who is in his second year as a junior, is Dodgers second high scorer next to Graham who is first.

Scott LaRue holds down right defence. He is the steadiest defence we have, said coach Ken Avarell, a boy we are proud of and Haliburton should be proud of him as he is a gentleman on the ice and of.

Bob Wilson holds down left defence on the all-star team. Wilson is a police cadet and is a real gentleman, a big boy and this is his last year of junior hockey.

In goal for the all-stars will be Dave Kelley, Dodger goalie, who is leading the eague in goals against. Kelly is rated as the best goalie in the league.

Ken Avarell will coach one of the all-star teams with Gus Mortson of Dixie Bee Hives coaching the other all-star team. The all-star game is slated for January 26 at 8 p.m. at Lakeshore arena.

Getting back to the Dodgers, Avarell says this is the youngest junior B club he has had. The average age is 17 years, and with six rookies, they are all good prospects.

This game in Haliburton should be a good contest and the people of Haliburton will probably see the best game in Haliburton this year.

Come out and see the future N.H.L. stars meet the Huskies at the Haliburton arena, Saturday, January 27.

Minden Beat Sunderland

The Minden Monarchs were in Sunderland on Saturlay night to play an exhibition game with the Sunderland team. After 60 minutes of good fast hockey the Minden club emerged as the winners by the close score of 10-9.

Sunderland opened the scoring in the early minutes of the first period and they scored three times and took a 3-0 lead. At this stage of the game it looked like Sunderland were going to run Minden out of the rink. But in the second period Minden came back and tied it up at three goals a piece and then went ahead 4-3 only to have Sunderland tie it up and this is the type of a game it was with one side having the lead and the other side coming back to tie it up.

Nearing the end of the third and final period and with Sunderland out in front 9-8 Larry Lonsberry scored a beautiful goal to tie it up at nine-all..

Then John Debitt fired home the winner and the Monarchs won out 10-9.

The goal scorers for Minden were Neil Burke, Murray Bradt and Larry Lonsberry with two each and Pud Hamilton, John Debitt, Bruce Handley and Jackie Raymond with one goal each.

GAME POSTPONED

The hockey game which was scheduled for Minden last Friday night was canceled when the Minden Monarchs were unable to get the ice at the Minden recreation centre.

The arena, which had other commitments, forced the game to be postponed.

Baptist W.M.S Highlights

At the annual business meeting of the Haliburton Women's Baptist Home and Foreign Mission Circle, held at the church on Tuesday, January 17, a review of the past year's activities revealed a most eventful term.

Of special interest was the March meeting when many friends visited our new church to hear first hand of the work being done in Angola, from Mrs. Vern Kimball, a returned missionary from our field there.

In April, Mrs. Minnie Davies was honored with the presentation of a life membership certificate and pin.

Mrs. Evelyn Connor and Mrs. Betty Salvatori represented the local ladies at the missionary convention held at McMaster University in May.

A pot luck supper was held before the regular June meeting held at the home of Mrs. Evelyn Connor.

Miss Nancy Mitchell of Lindsay now on furlough from the Angola mission field was our special speaker at the September meeting. Her message and colored slides of her work as a nurse in this troubled area shall not soon be forgotten.

The following offices were filled for the current year:

President, Mrs. Eva Howe; vice president, Mrs. Irene Roberts; treasurer, Mrs. Pauline Miller; secretary, Mrs. Ruth Ward.

Kinmount Fair Seeking Funds

Request for a $600 increase in their annual grant was made Thursday by Bill Scott and Leon Wright of the Kinmount fair board when addressing Victoria county council.

Last year the board received a $400 grant from the county. Mr. Scott told council that the board has plans for erection of new buildings at the grounds located in Peterboro county. He said estimated cost of these additions was $1,500. Of this amount 25% will be paid by the provincial government. He said they plan on approaching Peterboro county council with a similar request in the near future.

Laxton, Digby and Longford reeve Bob Cammack said, "If these men are prepared to devote their time and services free of charge, we should give the request every consideration. — Peterboro Examiner.

Dysart Home And School

Father's night of Dysart Home and School saw Mr. Cote officiating as chairman and Mr. Rea Stinson as secretary.

The meeting opened with a sing-song led by Mr. Noel McNeil accompanied on the piano by Mrs. Ron Curry.

Mr. Stinson introduced the speaker, Dr. Terry Hicks, who showed a film concerning dental patients and causes and preventions of their diseases.

The film pointed out simple ways of prevention of dental problems. It is up to the individual, first of all, then to the family, and the community to decrease the rate of dental decay in any area.

Dr. Hicks answered many questions most adequately and a discussion developed which led to the question of guidance in public and high schools.

Earl Cooper then played the bagpipes after which the meeting was adjourned. Lunch was served by the men.

SNOW BOUND

The tall pine trees like great spirea stand
Guardians of this white and silent land,
Their heads held high though winds may blow
Arms outstretched to catch the falling snow.

A carpet thick and soft to hush the sound
In frozen fastness all the north is bound,
The silence is an ache to touch the heart
From all the frenzied world a thing apart.

Oh solitude of love, of life, and peace
Wherein the strife of nations needs must cease,
Where all the earth is one with friend or foe
And joy abides amid the falling snow.

—Mrs. Ann Cummins.
Hall's Lake, Ont.

THE WEEKLY ROUNDUP

Still the snow keeps coming and the drifts get higher in the Haliburton region. The municipal employees were busy again on Friday cleaning the snow off the main street. This is about the fourth or fifth time it has been cleaned this winter.

* * *

The Dept. of Highways have erected a sign with the name "Haliburton" on it near the residence of Mr. and Mrs. Jack Robertson.

* * *

According to the latest report issued by the Dept. of Lands and Forests, it states that the deer and moose toll continues. Two moose casualties were recorded in Haliburton county, one from drowning and the other in collision with a car. The car's damage was estimated at $350. Three bears were killed in Peterboro county when they were hit by cars.

* * *

Ice fishing is moving into high gear at Haliburton. A few days ago Bill Jones of Toronto took three lake trout from Twelve Mile Lake. The largest was four pounds and the others just over three.

* * *

The Haliburton Trappers' Association are holding a raw fur sale at the Orange hall basement at Haliburton on Monday, January 29. The sale will start at 10 a.m. and run until 8 p.m. in the evening.

* * *

We are handing out a warning here. For all you people who haven't had your cottage roof shoveled off, now is the time to have it done. Practically every day we get more snow. The heavy wet snow that we have had this week hasn't helped matters any.

* * *

A plea to all parents in Haliburton county. This Saturday will bring an end to Minor Hockey Week in Canada. If you haven't been to the rink this week, please go this Saturday and see your boy in action. Keep him out of hot water by keeping him on ice. Don't send your boy to the arena, take him.

* * *

At time of writing the Shorgas strike at Haliburton is still on.

* * *

The annual meeting of the Canadian Red Cross, Minden branch, was held in the parish hall on Friday night last.

* * *

A number from Haliburton and Minden are now employed at MacCraft at Wilberforce. This new industry is taking up the labor slack in the county.

* * *

They say that it's easier to borrow money now. We are running an ad from Lloyd Found in Lindsay stating that his company has money to lend on first mortgages.

* * *

Logs have been rolling into the Lorne Bailey Lumber Co. at Haliburton. It's good to see this industry in full swing as it helps ease the unemployment situation in Haliburton. But we understand that we have over 60 men seeking employment in Haliburton.

THE DYSART MUNICIPAL TELEPHONE SYSTEM

(Continued from last week)

The year 1923 saw many innovations—the first desk phones and rented intsruments at a rate of $24 per annum for a party line and $26 for a private line which was only available to business establishments. On April 17 of that year the printing of the first telephone directory was authorized.

In accordance with their expansion policy the following year the commission petitioned the railway board for permission to build a copper long distance circuit 50 miles long which would link Haliburton with the Bell system. To finance it 15 year debentures were issued in the amount of $7,000. Plans to reconstruct the Guilford part of the system bringing it into the Haliburton central and place an extra circuit on the Guilford line were also discussed.

To cut long distance construction costs an arrangement with the Minden system allowed Dysart to use their poles from Allsaw to Minden at an annual rent of eight cents per pole. In addition Dysart was to remove the iron wire from Minden to Kinmount and restring the poles with copper wire.

One of the minutes is dated "The Fall Fair." Evidently the social occasion was utilized to get together representatives of the Burnt River, the Bell and the Dysart systems with the railway board to discuss problems of mutual interest. At this time Burnt River, Minden and Stanhope were in turn offered an opportunity to share initial costs and eventual profits of the new line to Fenelon, but in case the offer was rejected.

Unaided Dysart built the line which came into full operation in 1925, the year that a list of Dysart names and numbers was submitted for listing in the Bell directory.

One of the first problems that arose was difficulty in contacting the Fenelon central for emergency night calls and the time it took to repair the lines after an electrical storm.

The year 1926 saw an agreement with the Dysart Electric Light Commission by which hydro wires could be strung on telephone poles.

The Haliburton telephone central was one of the first establishments in the village to be wired for electric lights.

The first of many tries to levy toll charges on calls between Dysart and West Guilford, Stanhope and Minden was attempted but, like plans to collect tolls from non subscribers, proved unsuccessful. Haliburton is still one of the few places in Ontario where one can call six different districts without tolls.

The annual subscribers' meeting in January of 1927 saw action on the proposed inclusion of Guilford in the Dysart system with the approval of the motion "That the telephone lines of the Dysart Municipal Telephone System be extended to service West Guilford which would be transferred from the Stanhope central to Haliburton and that extra circuits be built to accomodate subscribers. Also pending were a line to the Donald chemical works and another to Sleep's Corners to which the Gooderham line would connect.

The triumph of 1929 was the extension of Workmen's Compensation benefits to all telephone employees. By 1930 the commission felt ready to finance a new central building and instructed their secretary, Mr. Arthur Batchelor "to write M. L. Gordon for a three months option on the corner lot at Haliburton."

The scheme o fscotched by the world wide depression which made the long distance debentures yet unpaid a crushing financial burden.

The years between 1930 and 1940 saw little expansion. Everyone was too busy trying to retain what assets they already had but 1941 presented a brighter picture for a new central building with improved facilities was constructed on the property purchased the previous year from Jack Robertson. Its switchboards then served 138 patrons.

In 1947 additional long distance facilities were made available by the construction of a new long distance line to Fenelon Falls. At the present time there are 18 long distance circuits in question.

It was 1950 before a trunk line could be built from Haliburton to service the Wilberforce area which was without this utility. It became operational in May of 1951 and today comprises 100 installed phones.

In 1957 the Dysart, Stanhope and Minden systems chose to amalgamate. An office separate from the municipality was set up in the telephone central building to serve the combined 1,100 owners and renters. Since then the increase has raised this figure to 1,473 at the end of 1961, the year when 90 new phones were installed.

Extra switchboards and the need for more office space soon made the building erected in 1941 obsolete. By a strange twist of fate the corner lot coveted by the telephone system had been purchased for a post office but the need for larger postal facilities to serve the rural mail service caused it to be sold to the municipality after the erection of a modern post office. On December 15, 1959 the old post office building and its lot was deeded to the telephone system and in June of the following year, 30 years after the letter to Mr. Gordon asking for an option was written, the telephone system moved its office into the renovated building leaving the other location more space for its central.

For an area like Haliburton county the telephone system in 1962 is big business. In addition to the automatic dial exchange at West Guilford which was built in 1959, the Dysart municipal telephone now employs 35 people, 10 males and 25 females who share an annual payroll of $65,000. The present system includes over 3,000 miles of single wire.

Since its inception, the Dysart telephone commission has been fortunate to attract men of a high calibre whose combined ability to forsee future events and plan accordingly has secured for its subscribers a schedule of rates favorably comparable with any system in the province of Ontario.

Some of the commissioners who served during its first two decades included W. Austin, Wm. Roberts, Dr. E. Baker, Chas. Henderson, Harry Horsley, George Anderson, H. Sipe, George Cluff, Frank Peck, Frank Austin, Wm. Nicholl, John Lucas, Bruce Gould, Percy Bolender, Holly Robertson, Robert Nicholl, J. E. Hunter, R. R. Tyler and George Jones.

The present commission includes representatives from each area served by the system: Vinton Loucks of Minden, Russel Bain of Stanhope, J. T. Wallace of Wilberforce and L. C. Morrison of West Guilford. The secretary manager is Mr. Earle Casey. Its chairman is Mr. Glen Hodgson of Haliburton who is also a member of the Ontario Telephone Service Commission whose function today is comparable to the Ontario Railway Board which approved the original Dysart system.

On a profit and loss basis the Dysart Municipal Telephone System is financially sound. As long as it can maintain its present status it will avoid the fate of so many of Ontario's other independent systems—being absorbed by the Bell.

Within the next decade or so dial phones will come into universal use. Direct distance dialing will make available instantaneous communication with all the continents of the world.

When that day arrives in Haliburton, wall phones may become a must in the homes which include small children. Pity the poor parent whose unwatched desk phone attracts the attention of busy little fingers! He may find himself saddled with a telephone bill which runs into five figures should his offspring happen to accidently dial a merchant in Singapore or a Mexican taxi stand. Such is the price of progress.

IN MEMORIAM

Robertson — In loving memory of our dear father who passed away January 29, 1957:
His smiling way and pleasant face,
Are a pleasure to recall;
He had a kindly word for each,
And died beloved by all.
Some day we hope to meet him,
Some day we know not when,
To clasp his hand in the better land,
Never to part again.
—Evelyn, Murray, Douglas, Mary and families.

* * *

Harrison—In memory of a dear mother who passed away January 29, 1961:
In tears we saw you sinking,
We watched you fade away;
Our hearts were almost broken,
You fought so hard to stay.
But when we saw you sleeping,
So peaceful, free from pain,
We could not wish you back
To suffer that again.
—Sadly missed by Vernal, Velda and Judy, Ellwood and family.

* * *

McElwain — In loving memory of a dear mother who passed away January 24, 1948:
Those we love, we never lose,
For always they will be
Loved, remembered, treasured,
Forever in our memory.
—Ever remembered by her family.

ACTIVE SERVICE IN MEMORIAM

Davidson—In proud and loving memory of our dear brother, Lieut. Ross Davidson, killed in action in Holland, January 29, 1945:
Dearer still as years depart,
Your memory lives within our hearts,
With tender love and deep regret,
We who loved you, will never forget.
—Bernard, Aiken, Lauretta and Bernice.

GOODERHAM

The Friendship Circle met at the home of Mrs. Dallyn Pickens on Thursday afternoon and had a sociable time. Mrs. L. Hunter and Mrs. O. Hartin who have birthdays in January received gifts of mauve head scarves. Happy birthday was sung. The next meeting will be held at the home of Mrs. Hazel Maxwell. A delicious lunch was served at the close of the meeting.

The W.M.C. of the Pentecostal church was at the home of Mrs. J. J. Hunter. A hymn was sung and prayers offered. Mrs. Ronald Hunter read the minutes and is acting secretary in place of Mrs. J. E. Hunter. Mrs. Garnet Hadley read the scripture, Matt 13. Mrs. Elda Hunter presented the tpoic on "Reaching for the New Year." The election of officers for 1962 is as follows president, Mrs. T. Thompson; vice president, Mrs. J. J. Hunter, secretary treasurer, Mrs. J. E. Hunter. The meeting closed with prayer. After the blessing lunch was enjoyed.

It is the time for the amalgamation of the W.A. and W.M.C. of the United church. On Wednesday, Mr. Van Der Veen Pastor, Mrs. W. Billings and Mrs. G. W. Barr attended a meeting at Lindsay. On Sunday an inauguration meeting was held at Wilberforce with different groups present. Mrs. Barr, chairman, gave an inspiring address on "Advancing in the Future."

At the Sunday school entertainment of the United church, gifts were distributed among the children for attendance. Mr. VanDerVeen was chairman. Mrs. Fotheringham was pianist for the songs and carols.

On Saturday evening a board meeting was held at the Pentecostal church to elect officers for 1962.

The Gooderham hockey teams are to be congratulated this year again. The boys have a modern outdoor rink where citizens are enjoying outdoor sports.

By-Law No 2-62

TOWNSHIP OF STANHOPE

A by-law of the Township of Stanhope in the Provisional County of Haliburton, to regulate the erection of, or to establish or otherwise fix, a fishing hut on any of the various lakes in the Municipality of the Township of Stanhope.

Therefore be it enacted that a fish hut holder before placing his hut or huts on any lake for winter fishing, must secure a permit and number from the "SANITARY INSPECTOR" and such number must be placed in a conspicuous place on the outside of hut and to remain there at all times, said sanitary inspector to be empowered to inspect these huts at any time day or night, also to see that all fish huts and equipment be removed by the owners from the lakes, on or before April 1st of any year, and same not to be left on the lakeshore reservation, or same will be removed at the owners expense and will leave themselves open for conviction under Chapter 306 Section 80 and Section 81 Clause E of the Public Health Act.

A fee for a permit and number will be as follows:

No. 1 A Resident Householder for 1 Hut, 50c yearly.

No. 2 A Resident Householder for 2 and more Huts, $3.00 each Hut yearly.

No. 3 A Non Resident for 1 Hut, $4.00 yearly.

No. 4 A Non Resident 2 or more Huts $10.00 each Hut yearly.

Passed at Stanhope this 18th day of January 1962.

GORDON SAWYER, Reeve.

THOS. A. WELCH, Clerk.

Minden News Notes

Mr. and Mrs. Ed Lyle of Kinmount were Sunday guests with the George Hewitts.

Mr. Charles Dudman is out of hospital and spending a while with the Bruce Dudmans.

Mrs. Robert Harvey Sr. had the misfortune to fall and break her wrist, but is at her home.

Mrs. James Graham is spending a while in Toronto with friends and relatives.

Patients at the local hospital early this week were Roy Little, Clare Hobde. and Mrs. Don Booth and baby boy.

Mr. Allen Kernohan had a very bad accident on the week end. His car was completely wrecked but he sustained only a bad shaking up.

At the card party held by the W.I. last Monday winners were Mr. and Mrs. Loyne Cox, Garnet Snell, Jack Hounsell, Mrs. D. Prentice and Annie Kernohan. Winner of the door prize was Fred Wright and the cake draw was Maron Smith. A bountiful lunch was enjoyed by all following the games.

Kinette Meeting

The last meeting of the Kinette club was held on January 9 at Hart lodge. Ten members and one guest were present. The meeting was opened with the Kinette song and the National Anthem.

Grace was said by Audrey Northey, she was also sergeant-at-arms for the evening.

The raffle was won by Pat Lonsberry. Barb Elder read the secretary's report and a letter from Betty Harrison thanking the club for gift certificate.

The $15 gift certificate for the first baby born in Minden Red Cross hospital in 1962 was received by Mrs. Lionel Walker.

It was decided that the club would donate $25 to Mr. James Stanton.

Kinettes will pay a $25 fine if they appear on the street without toques on February 2, 3 and 4 in connection with the winter carnival. They will also judge the snowman contest on February 3.

Our guest for the evening was Libby Griffiths who showed us slides taken on their trip to Mexico last year. With descriptions and comments it proved an extremely interesting and enjoyable part of the meeting.

* * *

Another meeting of the carnival committee was held on Sunday and lists of events will be ready this week. Songs in the carnival mood are ready and many of the men folk are already showing off their mustaches.

Registration will be at the Brooks' office and the clown will be here as well as horses and cutters and a dog sled. Toques are the order of the day and are sold to help pay for expenses for the carnival. Only change will be the hockey game on Friday preceeded by the sleigh ride. Don't forget the dates of this are February 2, 3 and 4.

Minden W.I.

The January meeting of the W.I. was held on the regular date in the evening at the home of Mrs. McArthur with Mrs. Kernohan presiding.

The meeting opened with the ode and collect. Replies to the roll call of one-dish recipes was answered by 15 members and one guest.

Correspondence was read by the secretary, one being an invitation to the ladies to hear Mrs. Moynes that Saturday give a report of her trip to the national conference of F.W.I.C. in Vancouver. It was decided to send a donation of $5 to the mental health appeal. Mrs. W. A. Welch gave her report and the collection was taken.

Many notes of appreciation of baskets given at Christmas had been received and read by the secretary.

Mrs. Lorne Dawson gave a very interesting and different talk on "Food in Future."

It was decided to buy cards and make notices that a special collection be taken at the next meeting. The fees are to be paid promptly. After singing God Save the Queen and the Institute Grace a draw was held and the lucky winner was Mrs. Moore, and we all sang Happy Birthday to Mrs. Allan Taylor on her special day.

A very delightful lunch was served the committee and all enjoyed a social half hour.

WEST GUILFORD

Our 12 and under hockey team played Carnarvon on home ice on Saturday and won by a score of 6-2.

Mr. Sidney Cooper was home over the week end visiting with his parents, Mr. and Mrs. Stanley Cooper.

Mr. and Mrs. Bradley Simms had a fire in their home, but were able to bring it under control shortly. Damage was estimated at $150.

The Medeba Bible camp was alive with a group of young people from Hamilton over the week end, where they enjoyed skiing, tobogganing and skating.

Mr. Basil Cooper has been undergoing treatment at a Toronto clinic. We trust he shall soon be feeling better.

The Community Guild held its first meeting of the new year at the home of Mrs. Mary Redner, Maple Lake, with the president, Peggy Henderson, in the chair. Owing to a bad snow storm and blowing, which made driving almost nil at times, there were seven members and one visitor present.

Congratulations to Mr. and Mrs. Grenville Griffin (nee Ila Samson) of Dorset, on their recent marriage. The best wishes of the community are extended to this happy couple who will reside in Oshawa.
